ANNOUNCEMENT

ANNOUNCEMENT

May 08-12, 2017

The National Association of Water and Sanitation Utilities of Mexico (ANEAS) and the University of New Mexico, invite the middle and senior managers of the systems partners of the ANEAS to the International Certification in Water Governance and Public Policy.

Call for Proposal:

The goal of this Certification is to promote the training, development and networking of the human resources of the Drinking Water Operators, with prestigious national and international institutions for the design and implementation of public policies that contribute to the development, competitiveness and governance of water.

ANEAS and the University of New Mexico will award some scholarships, including:

- Accommodation for five nights
- Food (breakfast and lunch)
- Seminar registration
- Support material
- Local transportation (Albuquerque-Santa Fe- Albuquerque)

To be eligible for this scholarship, the candidate must comply with the requirements and selection criteria indicated in this call.

Profile of applicants:

Middle and higher-level managers working in systems partner operator organizations.

Participants must submit in electronic format the following documentation:

1. Proof of assignment to an ANEAS partner water operator and to be up-to-date in the payment of their quotas.
2. Professional PowerPoint presentation describing the challenges faced by the water system institutions, especially in the topic of water governance and public policy.
3. Curriculum vitae updated, indicating the degree of studies.
4. Motivation statement.
5. Letter of support granted by the Executives Directors of the systems partner operator organizations, which grants permission to be absent for the duration of this certificate (7 days) and commitment to cover the costs of air transportation and dinners.
6. Other requirements:
 - Current passport and USA VISA.
 - Advanced English language skills.
 - At least 2 years of experience in the water sector.

Application, evaluation and selection of participants:

- A. The applicant's application will be in a personal and non-transferable capacity.
- B. The Potential beneficiaries to get a scholarship will be selected through an evaluation process coordinated by the ANEAS.
- C. The applications that fulfill the requirements mentioned in this call will be evaluated.
- D. The results will be announced through the Training Coordination of ANEAS.
